NON-TEACHING STAFF APPLICATION – GUIDANCE NOTES

These notes are to help you complete your application as effectively as possible. Please read them before completing your application.

It is not possible to interview everyone who applies for a job. Your application form is the only means we have to judge your capability and potential and the information in it will be used to draw up a shortlist for the next stage of selection.

With the application form are a job description and a person specification. Read these documents through so that you are familiar with what the job involves. Have you got all the relevant skills and experiences for the job?

The job description lists the main duties and responsibilities for the post.

The person specification sets out the experience, skills, abilities and qualifications required to do the job. These requirements are split into two categories:

- i) essential criteria – these are the characteristics that are seen as essential to the job. A candidate that does not have these will not be able to carry out the job and will not be shortlisted for interview.
- ii) desirable criteria – these may be used to choose between two or more good candidates.

Your application will be assessed against the criteria listed on the person specification.

GENERAL POINTS

- Please read each section carefully. You may find it helpful to do a rough draft first. This helps to avoid making mistakes and allows you to organise your application.
- CVs alone are not acceptable. You must complete the application form and sign the declaration at the end.
- Write in a concise, well organised and positive way. Make sure all sections are completed clearly and as fully as possible. Keep to the facts - you may have to justify any information you have given.
- Make sure your application relates to the person specification for the specific job that you are applying for.
- If you run out of space you may use additional pages.
- When you have finished your application re-read it and check for any errors or omissions.
- Make sure your application form is returned by the closing date.
- Keep a copy of your application. It will be useful to refer to for preparation if you are called for interview.

PERSONAL INFORMATION

Please complete this section fully and clearly. This is the information we need to contact you.

Before you are appointed, the Academy must ensure that you are legally entitled to work in the UK. You must state on the form whether or not you require a work permit to take up employment.

CURRENT OR MOST RECENT EMPLOYMENT

Please state your employer's name, address and telephone number in full. Do not go into too much detail but list the main activities of the job.

PREVIOUS EMPLOYMENT

Please account for all time since you left school, college or university. List your jobs, with the most recent first, stating month and year and mentioning any gaps in employment. Check that dates are correct and in the right order. Include voluntary work particularly if there have been times when you have not been in paid work.

EDUCATION AND QUALIFICATIONS

List the qualifications you possess including grades. There is no need to list failed exams. The person specification will say if the job requires any particular qualifications. If you are appointed we will need to see evidence of essential qualifications.

List any formal, informal or on the job training you have received. Selection will be based on the education and training listed in the person specification.

SUPPORTING STATEMENT

This is your opportunity to tell us why you are suitable for the job. Read the job description and person specification carefully to see what skills and experience you have that relate to those required by the job. Think about examples you can give to provide evidence of this.

Consider what you have done in the past: at home; at school; at college; in paid work; unpaid work; or in a hobby. These may be useful to show how you meet the items on the person specification. For example running a home can show skills such as organising or budgeting, being active in a club or other groups can show teamwork, communication or organising skills.

Ensure that this section is written in a well-organised manner and is relevant to the job for which you are applying. Write in a positive manner such as 'I was responsible for....' or 'I organised.....'. It is useful to deal with each point of the person specification in turn. This will help you to structure your statement clearly.

HEALTH DECLARATION

Disabilities:

This information will not be used as part of the shortlisting process.

If you have declared a disability on your application and you meet the essential criteria for the job, as listed in the person specification, you will be guaranteed an interview. This does not guarantee you the job. At interview you will be assessed along with all the other candidates. You do not have to declare a disability, but we can only guarantee an interview (subject to you meeting the essential criteria for the job) if you tell us.

The Equality Act 2010 defines a disability as a physical or mental impairment which has a substantial and long-term adverse effect on a person's ability to perform normal day-to-day activities. Further information can be obtained on the Directgov Website - www.direct.gov.uk.

Please say if you need any special assistance at interview, for example if you have difficulty in moving up or down stairs or have hearing or speech difficulties.

All successful applicants will be required to complete a pre-placement medical questionnaire / assessment with our Occupational Health provider.

REFERENCES

No firm offer of appointment will be made until references, that are satisfactory to the Academy, are received. Referees must be able to produce information about your suitability for the post. You will need to provide the names of two referees. One should be your most recent employer and the second a previous employer or someone who can give information relevant to the job.

If you are a school or college leaver please give the name of your head teacher or tutor.

References provided by relatives, friends or people with whom you live are not acceptable. Use someone who knows your capabilities and is aware of your potential. Testimonies, affidavits and references addressed "to whom it may concern" are not acceptable.

If you have been self-employed or employed by an organisation that has ceased trading give the name of an official such as an Accountant or Bank Manager who can vouch for that period.

References will only be taken up if you are shortlisted for the post you are applying for. Please state on the form if we should not contact a referee prior to interview.

It is advisable for you to contact your referees at an early stage to let them know that you wish to give their name and ensure that they are willing to act as a referee.

Please read your completed form carefully and check for any errors or omissions. False declaration or omission in support of your application will disqualify you from appointment. If you are appointed, and false declarations or omissions are subsequently discovered, this may lead to disciplinary or legal action against you.
