Be part of our journey...

I am delighted that you are considering applying for a position at our "Outstanding" academy. Our journey from "satisfactory" to "good" through to "Outstanding" in January 2015, confirmed for a second time in March 2016 is primarily down to the fantastic "Team Hatton" who care deeply for our amazing students and are committed to ensuring they have the very best start in life.

Being the lead school within a Multi-Academy Trust and a "Teaching School" enables us to offer genuine, quality opportunities for the development of colleagues within Hatton. A wide range of CPD is available and personal challenge is actively encouraged. Our Teaching School has also designated a number of "Specialist Leaders of Education" from within Hatton providing further leadership pathways for those seeking enhanced opportunities. Most recently, we have appointed a research lead to enable colleagues to understand and have involvement in the very latest educational research.

In 2016, students at Sir Christopher Hatton Academy once again achieved outstanding progress and outcomes at both GCSE and A-Level. We are incredibly proud that our students' progress is the highest of any Northamptonshire school at both key stage 4 and key stage 5. Our inspirational C.E.O. Victoria Bishop, is a National Leader of Education, who is called upon to work with other schools and trusts in order to support school improvement and remains at the very centre of both Hatton and our Trust.

Sir Christopher Hatton Academy is a vibrant, exciting place to work with excellent relationships both between colleagues and with our students. As a trust, we value our dedicated colleagues and continue with full teacher's pay and conditions in addition to recognising previous service.

Should you have any questions or would like to arrange a visit Hatton, please feel free to contact me directly at wilsona@hattonacademy.org.uk.

Regards,

Andrew Wilson
Associate Principal
