Be part of our journey...

We are delighted that you are considering applying for a position at our outstanding, world class academy. Our success is primarily down to the fantastic ‘Team Hatton’ who care deeply for our wonderful students and are completely committed to ensuring that regardless of background or circumstance, our young people develop as individuals and make the excellent progress of which they are capable.

Our enviable position within a small, autonomous Multi-Academy Trust and an ambitious, outward-facing Teaching School enables us to offer genuine, quality opportunities for the development of colleagues. A wide range of CPD is available and personal challenge is actively encouraged. We are committed to educational research, and our practice is built upon a comprehensive understanding of what works, and what doesn’t, to enable colleagues to be at the forefront of the most cutting edge practice that will positively impact upon our students’ experiences.

In 2018, students at Sir Christopher Hatton Academy once again achieved outstanding progress and outcomes at both GCSE and A-Level. We are incredibly proud that our students’ progress at Key Stage 4 is in the top 5% of all schools in the country. We work closely with other successful institutions national and internationally to continually hone, improve and develop our practice, and the talents of our staff, to ensure that our students are always receiving an excellent standard of education.

Sir Christopher Hatton Academy is a vibrant, exciting place to work with excellent relationships between staff, students, parents and the local community. As a Trust, we value our dedicated colleagues and continue with full teachers’ pay and conditions in addition to recognising previous service.

Should you have any questions or if you would like to arrange a visit, please feel free to contact us: you are assured of a warm welcome.

Kind regards,
