SchoolGrid

Dear Parent,

Our award winning ordering and payment system ensures children and parents can order the meals that they want, and makes paying for meals much easier. The new system also cuts down on paperwork and staff time at your school. You will now be able to go online and order meals from home, view recipes, check ingredient information, and block dishes which contain certain allergens*.

Pre-Ordering

Pre-ordering is done by the parent and child at home (see reverse) or on the classroom interactive whiteboard each day (in participating schools).

Dishes that contain allergens unsuitable for your child may be blocked (if your caterer has been notified)*.

Lunchtime

The children select their name on a touch screen at the hot plate during lunch service. Their meal choice is displayed to the cook, as well as their dietary needs. If a mismatch is detected the cook will advise of an alternative*.

* Only in participating schools.

Tell Us About Allergies

Card Payment' to Pay

If you have any children not entitled to free school meals, you can pay for their meals by bank card online. No payments are taken through the school office.

Order Your Meals
